Dear Friends and Colleagues,

You know it, we know it...North Stonington's countryside is its heritage, it is its star asset. Renew or join us with your membership. Help us find new and fresh ways to hold onto North Stonington's unassuming beauty, its—still-- quiet miles of hilly, stony land, its hidden, cold streams and brooks. We would love to impress you with the many ways you can afford to leave your land in perpetuity for your family with a conservation easement or in trust to The Land Alliance. Let us hear from you. Give a few hours to help keep our preserve paths open, to open up new vistas.

This January 2016 appeal is sent with our best wishes and with hope for Peace In Our Beautiful World.
